

March 12th 2013

I am writing this letter in the event that there will not be an selection of a new Pope on this day. I wanted to add this information to the March 11th broadcast, but I did not think about it until later. Like I mentioned in the previous broadcast The Vatican Resignation Ritual, the Catholic Church follows the system of Pythagorean, which is the system of the Rosicrucian Hermetic Order. Therefore the occult follow specific dates and times to carryout major events. The election of a Pope is at the top of the list when it comes to major events, so we should pay close attention to this process.

If they do not elect a Pope on the March 12th 2013 then this dose not mean that they are not still following the Pythagorean time cycle. It would be to your advantage to learn about the phase of the moons and understand that the ancient Babylonian system used the moon to mark when certain holidays would begin and end. Since March 11th 2013 is the Passover according to the Babylonian calendar cycle then we have to observe the days that make up this cycle. It would also add to your understanding that this event marks the END of darkness. This means that when the ancient Babylonians saw the light of the Moon after 3 days, this marked the END of darkness. Therefore March 11 is the gate, March 12 is day ONE of coming through the gate, March 13th is day TWO of coming through the gate, March 14th is day THREE of coming through the gate. March 14th 2013 is when you see the light of the “New Moon” this is why it is called a “New Moon”

If they elect a Pope on March 14th 2013 then this would line up to the three day Babylonian New Moon cycle 12,13,14 so do not be surprised if there is no pope on the 12th. Now I have a date on **HebrewsWakeup.com** and **HWUNET.org** that I singled out which is March 13th 2013. This is another one of those dates that I found, I am not sure what it means yet, but it is important to the occult.

In addition we should keep in mind that the ancients followed a 364 days of the year cycle, this cycle can be broken into 13 moons of 28 days. So if they chose a Pope on March 13 2013 it could be in reference to the number 13, 13th Moon, 13th Day or 13th Years.

In addition, regardless on what day they choose the 12th , the 13th , or the 14th we should pay less attention to the numbers more attention to the reason why. It would help to be aware that they have already selected a Pope. If anyone has watch the series on show-time called the Borgia, or researched the history of the Popes will know that the office of the Papacy has been corrupt for hundreds of years. We can see this today by the amount of pedophilia being exposed.

Therefore we have to pay very close attention to whom they elect and why, so if they elect an African Pope, then African and the third world is in deep trouble. If they elect an Asian Pope then America and the Western European present power structure is in trouble. I say this about Africa because President Barrack Obama pretty much

allowed them to expand death in destruction on a scale former president Bush can only dream of.

An African Pope promotes the illusion of power threw Catholic Christianity. This would put people in the third world back to sleep, and give them a false sense of empowerment. For example this happened to many of us in America and abroad. We thought that because President Barrack Obama is a “Black Man” he would see things through the eyes of the oppressed people of the world and create a better world. Without terrorism and real diplomacy.

But of course this is not the case. He opened the door for Africom, which is plundering the resources for the western nations, and further destabilizing the African Nations. Therefore a Black Pope would be horrible for the third world. In addition, because many Catholics are in the so called third world billions of people will be deceived.

Likewise this will be horrible for Africa and the third world because the so called third world is targeted for eugenics. The Nazi inspired European Monarchs are planning genocide for the peoples of the so called third world. They do this by promoting the lie about over Population. Therefore if they select a Black African Pope this would help them achieve this goal. How? Because it would help them to push the eugenics needle easier. What this means is that major world organizations like the World Bank, IMF and the World Health Organizations which are under the umbrella of the United Nations are following the plans of Agenda 21. We see this from the results of the world health sponsored vaccination program that is being pushed by Bill Gates.

You can do a quick search on the Internet typing by typing in “**paralyzed by vaccination**”, “**sterilization by vaccination**”, **Smallpox vaccine triggered Aids virus**’, or you can study the United Nations Agenda 21 depopulation plan that is sponsored by The *Rockefeller* Eugenics Foundation.

You can also read recent mainstream and alternative news articles:

“India’s Polio Eradication Campaign in 2011 Caused 47,500 Cases of Vaccine-Induced Polio Paralysis” or **“Polio vaccine blamed for outbreaks in Nigeria”** or **“At least 50 African children paralyzed after receiving Bill Gates-backed meningitis vaccine”**

Therefore if they elect a Black African Pope this will not be good for the so called Africans. The major religion of Africa and the third world is Catholicism, because of European Colonization. In addition if they select an Asian Pope this is a sign that America is finished, because America is in complete control of China through debt. And this would be another sign that China will become the new super power. If this becomes the case Africa and the third world are still in danger, because China does

not have to pretend. They can bypass western style democracy and just force the so called third world to do what they want without opposition.

Now if they do not select a Pope on either of these days and if the Pope is a good old Italian or German this dose not mean we can breath easy, because we still have to considered the whole terrorism angle. The Muslim Brotherhood and Al Qaeda are a product of the CIA. This means that the secret orders that created the CIA which is an offshoot of the Jesuits order. They will use Islam to bring in their new system of world control. They can use their instigated conflicts between the Shia and Sunni to cause chaos and disorder.

Then they will bring in peace threw the religion of Islam. This could be done using the Shia branch of Islam, by using the Mahdi of the Fatima branch. This would bring the Sunni and Shia together and setup a one world religion under Islam. This would replace the pedophilia religion of the Catholic Church. In addition, because this chaos and disorder was created by the CIA which is the creation of the secret societies, which came out of the Jesuit order, is still apart of the Rosicrucian Hermetic Order. Therefore the results of depopulation and planetary genocide will still be accomplished.

In conclusion, if they elected a Pope on March 12th 2013, March 13th 2013, or March 14th 2013 then this will be a sign that they are still on track.

Likewise if they do not elect a Pope on any of these dates and the Pope is either African or Asian then we still should not fall asleep. Why? Because the occult still have another card to play and that is the card of Islam. They will use the usurped line of Ali, Fatima, Hussan and Husayn called the Shia line of Islam. But this line is not the line of Ali and Fatima, but Ismaili whom was the great grandson of Abu Bakr. Therefore if they play the Islamic card they will bring forth the Mahdi of the Occult. Creating a new one world religious oppressive system of the beast.

So stay alert! Knowing is half the battle, and knowing who you are and the power of AHYAH that is with in you is the other half. This has been a HWUNET Report I am Dawid Yacob Maccabeus thank you for listening and my AHYAH give you peace, power and knowledge to destroy the system of the beast.
